Press Release – Implen GmbH

FOR IMMEDIATE RELEASE

IMPLEN GmbH achieves ISO 9001:2008 certification

Munich, Germany (January 12, 2011) – Implen GmbH is very pleased to announce that it has achieved ISO 9001:2008 certification in December 2010. IMPLEN has been awarded this designation by TÜV SÜD for meeting the guidelines set out by the International Organization for Standardization. With a clear focus on customer satisfaction IMPLEN is committed to provide its products and services on-time with exceptional quality, reliability and performance.

This ISO certification supports IMPLEN's corporate objectives, while reinforcing a culture of continuous improvement. As IMPLEN sells products to partners and customers worldwide, the ISO quality framework will assure that the client receives the highest quality products and consistent service.

About Implen

Implen is a privately held corporation that is a leading supplier for spectroscopy instruments and consumables for the non-destructive analysis of ultra low volume samples. The company focuses on biological, chemical, and pharmaceutical laboratories in industry and research.
